

American Recovery and Reinvestment Act of 2009 Alabama AmeriCorps State Programs

One of the purposes of the American Recovery and Reinvestment Act (ARRA) is to support additional AmeriCorps members to engage in activities that will address the current economic crisis. Per the ARRA, only existing AmeriCorps programs that were in operation on February 17, 2009 were eligible to apply for funding.

Three Alabama AmeriCorps programs were awarded expansion grants.
