- **This is a free 20-hour CERT course available to anyone 13 years or older who wants to:**
 - ✓ Keep themselves, family, neighbors, & the community safe; before, during, and after an emergency or disaster strikes.
 - ✓ Be prepared to help when disaster strikes until professional responders arrive and learn how to communicate and interact with responders in the most efficient way.
 - ✓ Learn basic preparedness, fire safety, light search & rescue, medical triage & treatment, terrorism, CERT organization, and disaster psychology. This course culminates with a simulated disaster exercise.
